## **Door to door sellers target Leigh (16 September 2010)**

The 'Nottingham Knockers' appear to be operating in Leigh again. There was an incident reported yesterday (15 September) where somebody purporting to be working on behalf of the Keep Britain Working charity was trying to sell dusters in Cliff Gardens, Leigh. Keep Britain Working have made it clear that they do not employ the services of anybody in this manner.

Please report any contact to Consumer Direct on 08454 04 05 06.
